

YOUR PREP DAY PLANNER

Use this page to map out any session before you start it. Fill in what you are making, note the dependencies, and sketch out the rhythm so nothing catches you off guard.

Session number: _____

Recipes I am making today:

What I need to have ready from a previous session:

What needs to cool or chill before I can use it:

Before you start

First thing

While things bake or ferment

While things cool

Once cool enough to handle

End of session

What goes in the freezer today

What needs to be ready for my next session
