YOUR PREP DAY PLANNER

Use these pages to map out any session before you start it. Fill in what you are making, note the dependencies, and sketch the rhythm so nothing catches you off guard.

Session number: _____

Recipes I am making today:

_____

What I need to have ready from a previous session:

_____

What needs to cool or chill before I can use it:

_____

Before you start

_____

_____

_____

First thing

_____

_____

_____

While things bake or ferment

_____

_____

_____

While things cool

Once cool enough to handle

End of session

What goes in the freezer today

What needs to be ready for my next session
